3966 Green Valley Rd, Rescue, California 95672 · yasmin@bluewaterhorses.com · Tel: 831-917-5896

Personal Statement

I am a California native whose involvement with horses spans nearly 40 years. I attended college and graduate schools on the East Coast while also spending nine years training with Olympic veteran and coach George H. Morris. I have worked at numerous sale barns and participated in show jumping competitions throughout the US and Canada. I currently own and operate Blue Water Farms, a hunter/jumper training and sales facility. I developed a curriculum based program for my facility and have found over the years that students do best in a structured, well rounded program. I believe strongly that standardization and continuing education, will greatly advance our industry, promote safety, and optimize care and management of our equine partners.

Work Experience

Owner/trainer (Apr 2007 - Present)

Blue Water Farms, Rescue, California

- Training and preparation of horses and riders competing from the local to the National level.
- Facility management.

Owner/trainer (Jan 1998 - Jan 2003)

South Lake Equestrian, El Dorado Hills, California

- Owner, head trainer, and manager of lesson, training, and sales facility. Management of over fifty students, and three part time instructors.

Physician (Jul 1991 - Present)

Emergency Medicine, various hospitals, Licensed in CA, MN, and PA

- Board certified by the American Board of Emergency Medicine. Currently practicing in three states.

Whatever needs to be done; I'm the one (Jan 1976 - Jan 1998)

Hunter/Jumper/Sales Facilities, California, Vermont, New York, New Jersey, Maryland

- Riding, training, preparation and presentation of sale horses.
- Teaching, barn management, grooming, stall cleaning, braiding and anything else that needed to be done.

Education

Doctor of Medicine (Sep, 1987 - Dec, 1991)

George Washington University, Washington, D.C.

Graduated upper third of the class.

Bachelor of Science (Sep, 1981 - Dec, 1984)

State University of New York, Albany, New York

Awards for Excellence in Research and Academic Excellence.

Riding and training

Trainers in California, early years (1970-1981) Northern and Southern California

Mike & Lolly Edrick, Larry & Lois Langer, Randy Redmer, Patrick Rostrum, Lee Dennie

Riding and training Albany and Long Island New York

(Jan, 1981 - Sep, 1986)

Peter Van Geisling; Robert Hoskins

Riding and training Laural, Maryland

(Sep, 1987 - Dec, 1990)

Richard Zimmerman, Joan Wilson

Riding and training Pittstown, New Jersey

(Nov, 1987 - Mar, 1996)

I rode primarily with George H. Morris. I also had the opportunity to work with Jeff Cook, Ray Texel, Anne Kursinski, and Chris Kappler. I additionally began studying colt starting and what I affectionately call cowboy school (methods of Ray Hunt, Buck Brannamon, John Lyons, and Pat Parrelli)

Riding and training CEE, Continuing Equestrian Education, Various locations

(Jan, 1998 - Present)

I am a strong believer in lifelong learning. I continually read books and articles and attend clinics. I have learned a great deal from observing and working with other professionals. There are many greats in CA including John French, Archibald Cox, Karen Healey, Patty Ball, Ned & Hope Glynn, many others too numerous to mention as well as several great clinicians that travel to California annually.

Skills

-
- Education and training of the horse and rider.
 - Curriculum development with emphasis on safety, a systematic approach to riding, and equine management.
 - Facility management.
 - Board Certified Emergency Medicine Physician.

Achievements

-
- Nearly 40 years of experience in the horse industry.
 - Junior competitor in the hunter, jumper, and equitation divisions. Qualified and competed in three junior medal finals achieving one win and two top ten placings.
 - Use of challenging financial circumstances to create unique and diverse opportunities. These situations allowed me to gain experience competing on many different horses in divisions ranging from the baby green hunters to the open jumpers. The remainder of my time was spent completing college, medical school, residency, and board certification in Emergency Medicine which I currently practice.
 - Trainer of students that have achieved success at the local, zone, and national levels.
 - USHJA Certified Trainer
